

# COMMERCIAL FONT LICENSE

## DARCYBALDWIN.COM

Commercial use is generally any use by a business or individual that is intended to generate profit directly or indirectly. This font license allows you to use and install a DJB Font for only one computer user (unless multiple licenses or server license is purchased). DJB Fonts owns all intellectual property of this font. The fonts are licensed, not sold. DJB Fonts permits you to copy, download, install, use, or otherwise benefit from the functionality or intellectual property of the fonts only in accordance with the terms of this agreement.

### Using the Commercial Use Licensed Fonts:

You may:

- Use on any media project (print, text, web), regardless of page views or print run.
- Create and sell a product which includes the font integrated into the final product (t-shirts, cards, prints, books and ebooks, etc.)
- Use in creating marketing material for your business (including previews, ads, business cards, logos, freebies, etc.)

You may not

- Sell, redistribute, give away, claim as your own or copy any font. Redistribution includes providing font on a server for others to download (unless a server license has been purchased).
- Create editable applications or templates where the end user creates their own product (tshirts, phone apps, .pdf templates, photobooks, etc.).
- Create a derivative product and sell or giveaway as your own (embroidery font, copy in a font creation app, etc.)
- Create an end product (such as rubber stamps, scrapbook alphas, single letter typography for sale) that have not been altered.

This license is not to be sold or transferred. A new license must be purchased for every end user

DJB Fonts or Darcy Baldwin does not warrant that the functions contained in the produce will meet your requirements or that the operation of the software will be uninterrupted or error free. Darcy Baldwin / DJB Fonts shall not be liable for any direct, indirect, consequential or incidental damages (including damages from loss of business profits, business interruption, loss of business information, and the like) arising out of the use or inability to use the produce even if DJB Fonts/Darcy Baldwin has been advised of the possibility of such damages. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply for you.

The agreement is governed by the laws of the United States of America.
